**BETWEEN:**

Applicant

Respondent

---

**Exhibit n° ISS-44 • GREECE**

*emails & bank statements, dated [17/07/2024], referred to in the **Section 6.2.27***

---

The respondent immediately asked me for the money from Greece straight after I had broken up with him and deliberately coerced me into paying for his mother's holidays.

Regarding Greece you said it was £1000 not £1300. I will not pay for anything you spent the days I was in bed so I will need to see receipts with dates for Greece.

I will also not be paying for my birthday presents or dinner as it was a present but if you want me to then you can pay me back for your birthday present.

Why dont you actually **READ** something I send you.

The spreadsheet **HAS NOT** divided any costs in two. i have taken the numbers you gave me. **IF YOU ACTUALLY READ SOMETHING FOR ONCE.**  
**So those costs are exactly as you quoted them to me. That is the correct amounts.**

Regarding Greece, I said it was **ABOUT 1000** - It doesn't matter what the guess is. That's the actual number. I have included all costs and divided them equally. On the days you were in bed I will subtract for you, 30 pounds. Otherwise it is just "all costs in Greece". I have also added on the hotel we stayed in afterwards which you booked.

Don't please be ridiculous and ask me for receipts from To Steki etc you know what we ate. I obviously don't have those. I have taken what was spent in Greece on Monzo and i will subtract 30 pounds for 2 days. So 60 pounds for the days you were in bed. I think that is **reasonable**.

It doesn't work that way if you want the receipts I want them too.you forgot the £400 for the flights, the money you owe me from Luxembourg this is completely UNREASONABLE.

**YOU ARE BEING HORRIBLE AND YOU'RE STEALING FROM ME**

As I have told you - you are not paying for my mother and no it is 30 pounds a day. Because

1. I had some beers.
2. I bought you Gyros in bed, which I am not charging you for.

Its a fair price. Accept it.

Are you serious? You've divided Paxos into 2 not 3? Do you think I'm paying for your mother? And you expect me to trust without receipts? You've just proven to me you tried to rob me. That's going in your file for the lawyer, daylight robbery.

And I can be back tomorrow if I report you so don't expect me being away for too long. And the cats aren't safe from you not from the builders as you threaten me to lose them if I don't obey you.

How many times do I have to tell you.  
No you are not paying for my mother.  
I have a spreadsheet for you as I told you.  
There were three people, that's 5 weeks of time.  
You pay for 2 wks I pay for 2 wks mum pays for 1 week.  
One top of that is the hotel at Gatwick, and the hotel when we returned which mum did not pay for.  
Maths doesn't lie.

You're a thief fucking thief.

I'm asking for the receipts because you've asked me for the receipts first. If you make an imposition you have to [follow it](#) as well...it's not just for women to obey you.how stupid do you think we are? And even with all the receipts you refuse to pay me.

You're not paying me anything without seeing the receipts yet you expect me to pay you £1300 just because I should trust your word?

You've already proven you're a massive liar. You tried to make me pay for your mother's holiday? Sorry but this is going to the lawyers now, forget sorting anything between the two of us.

Alex I don't want your fake spreadsheets I want the bank statement.

You asked me for £1300 though you spent £2700 in 2 weeks in 3 people. What maths are you using??

We won't solve anything between us I'm going legal.

Bye

No it's going with the lawyer now you're taking me for an idiot I'll show you what an idiot I am.

Please export the bank statements as pdf it's very simple from the Monzo app I've asked 5 times now
